

DOUBLE NEVADA BIOFIREPLACE

BIO-10-020

ScandiFlames Double Nevada wall-mounted bio fireplace with large front glass and black backplate that enhances the flames. Featuring two 1.5-liter bioethanol burners, the fireplace offers a total burn time of up to 6 hours per burner and a heat output of about 3.52 kW. The flames can be adjusted with the included tool, and using only one burner halves the consumption and heat output. The burners include built-in ceramic wool for longer burn time and increased safety. Includes mounting brackets, glass, extinguishing tool, and screws. Easy to install on all wall types.

TECHNICAL SPECIFICATIONS

Appearance

Colour	Black
Glas included	Yes
Materials	Glass
Materials	Steel
Shape	Rectangular

Burner

Adjustable	Yes
Burn time	6 hours
Burner type	1.5 Litre Deluxe
Capacity	3 Litres
