

TOPEKA WHITE - POWDER COATED STEEL BIOFIREPLACE

BIO-20-216

The ScandiFlames Topeka White is an elegant, freestanding bioethanol fireplace with a 2.5-liter fuel tank and a burn time of up to 7.5 hours per filling. Measuring H: 90 cm x W: 100 cm x D: 35 cm, this impressive fireplace can be placed on the floor or built into an end wall. Its wide frame and large cutout provide a wide view of the flames, shielded by three safety glass panels. The design fits perfectly into modern homes, creating a cozy atmosphere. Maintenance is easy, as bioethanol fireplaces do not produce smoke.
