

CIRCULAR TABLE BIO FIREPLACE - STEEL

BIO-20-235

The ScandiFlame bio fireplace with circular glass sides is a unique and elegant table fireplace with a burn time of up to 2.5 hours. This bio fireplace has a timeless and exclusive look, with the burner floating between the two glass sides for maximum visibility of the flames. With a width of 35 cm, the fireplace is perfect for placing on a table or in a bookcase. The bio fireplace requires no electricity and is easy to maintain as it produces no soot or smoke.
