

TALL FREESTANDING BIO FIREPLACE

BIO-20-201

The tall bioethanol fireplace from ScandiFlames is an exclusive and eye-catching piece made of stainless steel with two safety glasses at the top. This freestanding bioethanol fireplace is designed for both commercial and private use and can easily be moved around. It operates on bioethanol and requires no electricity, making it easy to install and use. With a burn time of 3 hours and a heat output of 1.5 kW, it creates a calm and beautiful atmosphere wherever it is placed.
