

ELEGANT BLACK WALL-MOUNTED FIREPLACE

BIO-10-040

ScandiFlames wall-mounted bio fireplace with glass in black, featuring a square and elegant design. This bio fireplace has a large glass front, giving it a modern look and enhancing the depth and color of the flames against the black background. With a manual 1.5-liter burner, the fireplace has a burn time of up to 6 hours and a heat output of 2 kW. The flames can be adjusted or extinguished using the included tool. Easy to maintain and clean, as it produces no smoke or soot. Includes burner, extinguishing tool, safety glass, and wall bracket. Requires no electricity and can be mounted on all wall types.
