

ELEGANT BIOETHANOL FIREPLACE

BIO-20-245

ScandiFlame's floor bioethanol fireplace with glass in black is a flexible and unique bio fireplace. This freestanding fireplace is designed for both indoor and outdoor use, but must be moved inside after use to avoid rust. With its stylish black colour and four glass sides that encapsulate the fire, it is eye-catching and fits naturally into any modern interior. The top of this bio fireplace can be removed and used as a table bio fireplace. The fireplace has a burn time of up to 2 hours per refill and requires no electricity.
