

FREESTANDING BIO FIREPLACE WITH RIDGES

BIO-20-266

Bioethanol fireplace in black steel with glass sides, can be placed on the table or floor. With a burn time of up to 6 hours, you can enjoy the flames for an entire evening. With its simple and modern design, it can be an eye-catcher in any room. The two glass sides secure the surroundings and provide maximum visibility of the flames. It is easy to clean as it produces no soot or smoke. Can be used both indoors and outdoors.
