

STEEL UFO-60 FREESTANDING BIO FIREPLACE

BIO-40-017

UFO-60 is a handcrafted, free-standing bioethanol fireplace in steel by Hein & Haugaard, designed in North Denmark. This refined fireplace features a polished stainless steel finish and burns up to 6 hours per fill with a 1.5L burner, requiring no chimney. The top of the fireplace may develop a beautiful champagne/golden tint from the flames over time. It is easily movable, making it versatile for use in various rooms. The package includes a matching stand and operational tools, with options for different stand colours if desired.
