

COCOON AERIS - BLACK WITH STEEL MOUNTING POLE

BIO-70-101

Cocoon Aeris in Black with steel ceiling rod from Cocoon Fires is an elegant ceiling-mounted fireplace that adds both warmth and style to any space.

This bioethanol fireplace has a 1.5-liter capacity and burns for up to 5 hours. It's easy to install, requiring no electricity or chimney. With an adjustable telescopic rod and the ability to rotate, the flames can be enjoyed from all angles. Its floating design and sleek black finish make it a striking design piece, adaptable to various walls and rooms.
