

FOCO TWO 800

BIO-30-104

Foco Two 800 is a stylish double-sided tunnel bioethanol fireplace designed for wall installation, allowing you to enjoy the flames from two opposite sides. This fireplace is perfect for partition walls or as a room divider between the living room and kitchen. Made from 4 mm powder-coated stainless steel with tempered glass, the Foco Two ensures a stable flame and timeless design, fitting seamlessly into modern homes. Choose from three different burners and customise the fireplace perfectly to your needs.
