

BIOETHANOL BURNER INSERT - 37 CM

BIO-20-290

The ScandiFlames Bioethanol Fireplace Insert is a versatile 37 cm burner designed to be freestanding or integrated into an existing fireplace. Transform your traditional fireplace into an eco-friendly bioethanol fireplace with ease. It features a 1.5-liter deluxe burner, providing up to 6 hours of burn time and a maximum heat output of 2 kW. The set includes a black powder-coated steel base, superior burner, flame control, and extinguishing tools. No chimney or electricity is required, ensuring simplicity and flexibility in installation and use.
