

BIOETHANOL BURNER INSERT - 85 CM

BIO-20-293

ScandiFlames Bioethanol Fireplace Insert with a width of 85 cm effortlessly transforms your traditional fireplace into an eco-friendly bioethanol fireplace. With an 80 cm superior burner and a 60 cm flame length, it provides an impressive flame effect and up to 6.5 hours of burn time per fill. Built from robust black powder-coated steel and delivers a maximum heat output of 4.4 kW without requiring a chimney or electricity. The package includes a flame control and extinguishing tool, ensuring quick and easy installation and use.
