

BIOTHANOL BURNER INSERT - 105 CM

BIO-20-294

ScandiFlames Bioethanol Fireplace Insert - 105 cm is a modern eco-friendly solution to convert your traditional fireplace. Featuring a 100 cm superior burner it offers up to 6 hours of burn time per fill and an impressive 85 cm flame length. The burner is constructed from durable black powder-coated steel and provides a maximum heat output of 6.5 kW without needing a chimney or electricity. The package includes a flame control and extinguishing tool, ensuring easy and efficient installation and use.
