

COLUMBUS - BIOETHANOL STOVE WITH 360-VIEW

BIO-20-296

ScandiFlames Columbus Bioethanol Stove with 360° View is a striking fireplace inspired by a classic wood stove design. Featuring glass panels all around, it offers a complete view of the flames, creating an authentic and cozy atmosphere. The enclosed design ensures safety for children and pets. With a 1.3-liter burner, it provides up to 6 hours of burn time. This eco-friendly fireplace requires no installation and minimal maintenance, making it a perfect addition for those seeking warmth and ambiance without the hassle.
