

CLASSIC ELECTRIC FIREPLACE

BIO-90-305

The Classic electric fireplace from Westbo combines timeless elegance with modern functionality. Made from cast iron, this fireplace offers a heat output of 1.2 kW and only requires a power connection. Its design, inspired by the 19th century, creates a cosy atmosphere while adding a distinctive, decorative element to any room. Easy to install with remote control and adjustable light settings, the Classic fireplace is a stylish and practical choice for enhancing both warmth and aesthetics in your home.
