

DENVER BASIC F3 - 990

BIO-50-656

DecoFlame Denver Basic F3 - 990 is a high-end bioethanol burner designed for easy integration into various home environments. With a 70 cm flame length and adjustable in three levels, it offers both heating and ambiance. This model includes an automatic filling pump and remote control for convenience. Manufactured in Denmark, the burner ensures high quality and safety with integrated sensors and no need for ventilation or a chimney. It's perfect for those seeking premium bio fireplace technology at an affordable price.
