

## EDMONTON SUSPENDED BIOETHANOL FIREPLACE

BIO-40-119

Edmonton is a stylish ceiling-mounted bioethanol fireplace featuring a round black dome that elegantly frames the flames, visible from one side. The manual burner has a capacity of 1 liter, offering up to 4.5 hours of burn time per fill. The fireplace includes a small safety glass in front of the flames to protect against minor drafts, ensuring a stable flame. The Edmonton is easy to install and does not require electricity, making it ideal for various interior settings.
